Payment for Visits

For the convenience of our patients, we accept Cash, Visa, and Mastercard. Co-payments and deductibles required by individual insurance plans are due at the time the services are rendered. Sorry for any inconvenience but we do not accept any form of check.

Payment for Treatment

Co-payments or deductibles toward treatment are the patient's responsibility and must be paid the day the service is rendered. If payment is not received the treatment will be postponed. We will give your insurance company 45 days to pay claims. If they do not pay within time allowed, the balance can and will be transferred to your account.

Self-Pay Patients

We welcome self-paying patients when insurance coverage is not available for our services. Patients without insurance are asked to assume full financial responsibility for the office visits, lab fees, and any services rendered during the time of service. If for some reason full payment cannot be made at the time of service, please speak with an administrator prior to your office visit to determine if reasonable payment arrangement can be established.
